Administration

- Check-ins around the room.
- Sign the attendance sheet.
- Our Admins will send links to set new folks up as “vendors” for Vanderbilt, all legit and for paying the stipends.
- We have **three** working sets of cosmic ray muon detectors (CRMDs) and have laptops for datataking and control.
- We use the “standard” Java program *Equip* to control the boards/detectors. Though simpler programs are possible.
- Registration and Survey for QuarkNet Central, links on the [must-do-items](#) page. Time for Survey Friday.
- This years and prevous talks and data sets at [GitHub Vanderbilt-QuarkNet Workshops](#)
